Typos in BC Handouts

Please include the name/number of the handout, the page number, and the typo.

1. On page 2 of the Grade Record, next to "**C-** Meet **18** standards at Level 1:", there are 19 boxes, not 18.
2. On page 2, question 2 of POTW#11, m_1 and m_2 are switched around, and M_1 and M_2 are also switched around.
3. On page 4, question 6 of POTW#11, it says "Combining the results of questions 8 and 9" rather than "Combining the results of questions 4 and 5".
4. On page 1 of POTW#12, it says "Last time we defined by definite integral" instead of "Last time we defined the definite integral".
5. On page 9 of 5.19 L'Hôpital's Rule Answer Key it says to "Find lim_x→0+ x^(1/x) and the solution finds the limit as x→ infinity
6. On page 6 of POTW#12, it says $L(f,P) \leq m_n \frac{b-a}{2^{n-1}}.$ when the lower sum is greater than or equal to the expression on the right.
7. On the list of Problems of the Week on Canvas, POTW#13~POTW#16 are listed in Semster 1. They should be listed in Semester 2.
